Flashback of MENA ICT Forum 2022

Meet The Organizer

SUMMARY

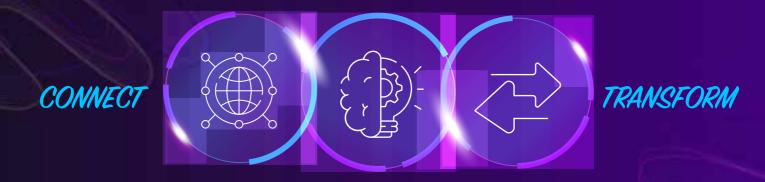

The MENA ICT Forum 2024 is the premier biennial event for the information and communication technology (ICT) industry in the Middle East and North Africa (MENA) region. Since its inception in 2002, under the esteemed patronage of His Majesty King Abdullah II Ibn Al Hussein, the forum has become a significant platform for decision-makers from the private ICT sector, government, and academia to network, share insights, and explore emerging technologies. The 2024 edition promises to be a dynamic technology and networking event, connecting regional and global participants to discuss and shape the future of ICT.

MEET THE ORGANIZER

The Information and Communications Technology Association of Jordan (int@j), founded in 2000, is a membership based ICT and IT Enabled Services (ITES) industry advocacy, support and networking association.

int@j serves as the collective voice of the industry, advocating on behalf of its stakeholders and seeking to maximize the contribution of the ICT sector towards Jordan's national economy. As the representative of Jordan's ICT and ITES sectors, int@j supports its members with the tools they need to continuously grow and expand.

int@j has been organizing and hosting the MENA ICT Forum since 2002. For more information about the association or to join as a member, please visit www.intaj.net
